Paul WN6K

Is it winter? One can only tell by the dates of upcoming celebrations approaching as the weather here in Southern CA sure doesn't allude to a change in season. The Club's Holiday party with its Western theme is fast approaching and I hope that you have made your plans accordingly. We will be looking forward to seeing those that will be able to show up at Wayne's, NN6R's for what promises to be a nice evening of social activities and food.

Congrats to our new papa, Senor Juan, W6NOW, who has a new harmonic, his first. Now he will be able to get up in the middle of the night to assist with feedings and find those Pacific 40 meter spots. I remember many times bouncing my two girls on my lap while one-handing the big dial finding some late night DX.

There are a number of projects that certainly need attending in the shack and now that my 'other venture' has come to a successful conclusion, perhaps I will have time to get them done. Still teaching my classes up here in Vista and soon hope to have one or two new little hams into the fold as a result. Have you brought someone new into the fold? I have always said that in order for our service to survive, we need to replace ourselves once per year. After you have brought someone aboard, don't let them wither on the vine though. Your guidance as an Elmer is still needed as the learning process is just started. Amateur Radio is a continuous education and some of those new hams would be thrilled with the prospect of finding new parts of the world to communicate with. And you can relive the joy you had years ago when you see the beam in their faces when they have worked a 'new one'.

Thanksgiving Weekend is upon us which means that the CQ WW CW contest follows. If you only get on for a little while, why not invite a new ham into your shack and show them the joys of 'fishing' for some DX. Relive the excitement and you just might make a new DXer out of them.

73 and DX is....

San Diego DX Club Policy on content of

DX Bulletin and/or E-mail Reflector

The San Diego DX Club, a group of Amateur Radio operators, interested in the art of DXing, publish a monthly newsletter, and maintains an e-mail reflector where members and officers can post information of interest to other members.

Our policy is to print and/or post only information that is related to Amateur Radio, and not items of a political or religious nature, unless it has an impact on Amateur Radio, such as antenna ordinances, etc.

If a member wishes to have printed/posted any topic that is not Amateur Radio related, they can submit a copy to the club newsletter editor, webmaster, e-mail reflector moderator or any club officer, and the matter will be discussed and decided upon by the Board of Directors.

TREASURER'S REPORT October 31, 2006

Balance as of Sep 30, 2006: \$4,176.52
Income:
Regular Dues: 140.00
TOTAL: 140.00

Expenses: None

Balance as of Oct 31, 2006: \$4,316.52
Petty Cash: 20.00
Total Checking/Petty Cash: \$4,336.52

MEETING MINUTES October 25, 2006

The San Diego DX Club held its regular monthly meeting on October 25, 2006 at the Sizzler Restaurant, Aero Drive and Murphy Canyon Road. The meeting was called to order at 7:00 p.m. by President Paul Dorey, WN6K. There were 30 member and guests present.

The Treasurer's report was read to the membership assembled by Harry, W6YOO who encouraged the early payment of 2007 dues.

The following candidates were voted into club membership:

Ray Fabre, WH6ASW
Simeon Lakritz, WA9ZEL
Charles Behnke, N6YJO

The DX Roundtable was lively as usual with discussion about new DX worked, contests entered, trips to far off lands, old QSLs and neighbors erecting signs hoping to bring down antennas.

There was no TOP TEN presentation as John, K6AM was absent on a contest expedition to the Caribbean.

An impromptu program was presented showing pictures of the installation of a tower and antennas at the new Arizona QTH of Bud Semon, N7CW. Very impressive array!

President Paul, WN6K discussed the proposal in front of SANDARC to admit the Tijuana ARC as a member of the Council. To be approved, this might take an amendment to the SANDARC bylaws.

PROGRAM:

The evening's program was presented by Merv MacMeden, N6NO. It consisted of a slide show and discussion of his recent vacation trip to Lord Howe Island where he operated as VK9LNO. There are suitable accommodations available on the island for the casual DXer on vacation and the scenery is certainly beautiful.

ADJOURNMENT:

There being no further business, the meeting was adjourned at 9:10 p.m.

Respectfully Submitted,
HARRY A. HODGES, W6YOO
Secretary/Treasurer

**DUES ARE DUE – MAIL YOUR TEN DOLLAR CHECK
NOW TO W6YOO! PLEASE DO IT TODAY!**

**Now Hear This!!
You just have to be
there!**
